Whilst the Company has made best efforts to utilise the issue proceeds as per the terms of the Issue, Rs. 250.99 Lakhs allotted to the object 'Acquisitions and Strategic Initiatives', is still pending to be utilised as of September 07, 2018 (the '**Unutilised Amount**'). The Board has deposited the said unutilised amount in a fixed deposit account with Punjab Maharashtra Co-operative Bank which is a Scheduled Commercial Bank included in the second schedule of the Reserve Bank of India Act, 1934, towards interim use of funds as mentioned in the Prospectus and the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009.

Your Company intended to acquire a Company ('acquiring Company') which manufactures speaker drivers, as our does not have any in-house driver manufacturing and the acquisition would have helped the business in backward integration and expansion of its export business.

After lengthy negotiations with the promoters of the acquiring Company and detailed due diligence it was found that:

- after the demise of the chief promoter of the acquiring Company, the business has not been managed properly by the family members and has been on decline;
- the Intellectual Property is not registered by the acquiring Company;
- no purchase, sale or ownership documents were found for the Brand procured by the acquiring Company;
- liabilities of the acquiring Company were found much larger than what was originally projected.

Taking into consideration the above findings, the Audit Committee and the Board of Directors of the Company propose to vary one of the terms of Objects of the issue, Acquisition and Strategic Initiatives as referred to in the Prospectus and recommend the below Objects:

Sr. No.	Proposed Objects	Amount in lakhs
1	Upgradation of the existing factory located at Palghar	150.99
2	General Corporate Purpose (Working Capital)	100
Total		250.99

The Board of Directors of the Company further assure that the aforesaid objects shall be achieved within one year from the date of approval received from the shareholders of the Company by way of a Special Resolution.

#### **Risk Factors**

Any of the following risks, individually or together could adversely affect our business, financial conditions, results of operations or prospects. The actual results may differ materially from those suggested by the proposed objects due to risks or uncertainties associated with the expectations with respect to, but not limited to, regulatory changes pertaining to electronics industry in India where the Company has businesses and its ability to respond to them, its ability to successfully

implement its strategy, its growth and expansion, technological changes, its exposure to market risks, general economic and political conditions in India which have an impact on its business activities or investments, the monetary and fiscal policies of India, inflation, deflation, unanticipated turbulence in interest rates, foreign exchange rates, equity prices or other rates or prices, the performance of the financial markets in India and globally, changes in domestic laws, regulations and taxes and changes in competition in its industry. Important factors that could cause actual results to differ materially from the Company's expectations include, but are not limited to the following:

- i. Decrease in demand for electronic products in India;
- ii. Factors affecting the electronic industry in India;
- iii. Increase in competition;
- iv. Regulatory developments in relation to electronic industry;
- v. Loss of any major customer; and
- vi. Rise in global commodity and equipment prices as well as increase in labour cost.

While we have described the risks and uncertainties that our management believes are material, these risks and uncertainties may not be the only risks and uncertainties we face.

Accordingly, approval of members is sought for varying the terms of objects of the issue referred to in the Prospectus. The Board recommends the passing of resolution as set out in Item No. 1 for approval of the members as a special resolution through postal ballot which means voting by post or through e-voting process.

None of the Directors or Key Managerial Personnel of the Company including their relatives is, in any way, concerned or interested, financially or otherwise, in the proposed resolution except to the extent of their shareholding in the Company, if any.

#### **Item No. 2:**

Mr. Ramakrishnan Manden Kattil, the Executive Chairman of the Company has attained the age of 70 years on January 2, 2018. In view of section 196(3)(a) of the Companies Act, 2013; the Nomination and Remuneration Policy of the Company and also for an abundant precaution, the Company seeks consent of the members by way of special resolution for continuation of his holding of existing office after the age of 70 years.
